

Data Protection Policy

Responsible body in terms of data protection laws is:

Soil & More Impacts B.V.

Newsletter

When you sign up to receive our newsletter, the data you provide will be used exclusively for this purpose. Subscribers may also be notified by email about circumstances relevant to the service or registration (such as changes to the newsletter offer or technical conditions).

For an effective registration we need a valid e-mail address. In order to verify that an application is actually made by the owner of an e-mail address, we use the "double-opt-in" procedure. For this purpose, we record the order of the newsletter, the dispatch of a confirmation mail and the receipt of the requested answer. Further data is not collected. The data will be used exclusively for newsletter distribution and will not be passed on to third parties.

The consent to the storage of your personal data and their use for the newsletter can be revoked at any time. Each newsletter has a link to it. You can also unsubscribe from this website at any time or provide us with your request via the contact details provided at the end of this document.

Contact form

If you contact us by e-mail or contact form, the information you provide will be stored for the purpose of processing the request and for possible follow-up questions.

Deletion or blocking of data

We adhere to the principles of data avoidance and data economy. Therefore, we only store your personal data for as long as is necessary to achieve the purposes mentioned here or as provided for by the various storage periods provided for by law. After discontinuation of the respective purpose or expiration of these deadlines, the corresponding data will be routinely and in accordance with the statutory provisions blocked or deleted.

Use of Google Analytics

This website uses Google Analytics, a web analytics service provided by Google Inc. ("Google"). Google Analytics uses so-called "cookies", text files that are stored on your computer and that allow an analysis of the use of the website by you. The information generated by the cookie about your use of this website is usually transmitted to a Google server in the USA and stored there. However, due to the activation of IP anonymization on these websites, your IP address will be shortened beforehand by Google within member states of the European Union or in other contracting states of the Agreement on the European Economic Area. Only in exceptional cases will the full IP address be sent to a Google server in the US and shortened there. On behalf of the operator of this website,

Google will use this information to evaluate your use of the website, to compile reports on website activity and to provide other services related to website activity and internet usage to the website operator. The IP address provided by Google Analytics as part of Google Analytics will not be merged with other Google data. You can prevent the storage of cookies by a corresponding setting of your browser software; however, we point out that in this case you may not be able to use all functions of this website in full. In addition, you may prevent the collection by Google of the data generated by the cookie and related to your use of the website (including your IP address) as well as the processing of this data by Google by downloading the browser plug-in available under the following link and install:

Link: [Browser Add On to deactivate Google Analytics](#)

In addition or as an alternative to the browser add-on, you can prevent tracking by Google Analytics on our pages by clicking this [link](#). An opt-out cookie will be installed on your device. This will prevent the collection by Google Analytics for this website and for this browser in the future, as long as the cookie remains installed in your browser.

Cookies

Like many other websites, we also use so-called "cookies". Cookies are small text files that are transferred from a website server to your hard drive. This automatically gives us certain data, such as IP address, browser used, operating system from your computer and your connection to the Internet. Cookies cannot be used to launch programs or to transfer viruses to a computer. Based on the information contained in cookies, we can facilitate navigation and enable the correct display of our websites.

In no case will the data collected by us be passed on to third parties or a link with personal data will be established without your consent.

Of course, you can also view our website without cookies. Internet browsers are regularly set to accept cookies. You can deactivate the use of cookies at any time via the settings of your browser. Please use the help features of your internet browser to find out how to change these settings. Please note that some features of our website may not work if you have disabled the use of cookies.

Your rights to information, correction, suspension, cancellation and opposition

You have the right to receive information about your personal data stored by us at any time. Likewise, you have the right to correction, blocking or, apart from the prescribed data storage for business transactions, deletion of your personal data. Please contact our data protection officer. The contact details can be found at the bottom.

For a data lock to be taken into account at all times, these data must be stored in a lock file for control purposes. You can also request the deletion of the data, as long as there is no legal archiving obligation. As far as such an obligation exists, we lock your data on request.

You can make changes or revoke your consent by notifying us with effect for the future.

Change of our privacy policy

We reserve the right to change this Privacy Policy from time to time to ensure that it complies with current legal requirements or to implement changes to our services in the Privacy Policy, such as: For example, when introducing new services. Your new visit will be subject to the new privacy policy.

Questions to the data protection officer

If you have any questions about data protection, please write us an e-mail or contact our data protection officer directly:
